

The Purpose of God and the Privilege of Free Will

Romans 9:19-33

The ultimate conflict of the ages is choice. God in His Sovereign will purposed to allow each of us to decide who we will serve and where we will spend eternity. To not make a decision is to make a decision.

1. We have freedom to choose

**A distinctive faith: A life of belief over
a life of unbelief**

2. We have freedom to choose

A different father: God over Satan

3. We have freedom to choose

A dynamic family: People of the light in Jesus over people in the darkness of the devil

4. We have freedom to choose

**A delightful future: Eternity with God
over eternity with Lucifer**

Have you made your choice?
